Dear [REDACTED] STATINTL

According to my records you were paid a total of \$2055.33 during CY 1977. The breakdown is as follows:

<u>Dates</u>	<u>Services</u>	<u>Transportation</u>	<u>Misc.</u>	<u>Total</u>
18 Nov. 9 & 10 Dec. 76	\$456.96 (3 days @ 152.32)	----	44.50	501.46
23 & 28 Feb. 2 and 18 Mar.	\$304.64 (2 days @ 152.32)	27.20	---	331.84
16 & 17 June	\$337.92 (2 days @ 168.96)	8.40	---	346.32
18 & 29 July, 19 Aug. 27, 28 Sept.	\$844.80 (5 days @ 168.96)	27.92	2.99	875.71 <u>\$2055.33</u>

The reimbursement for travel is a few cents more than you claimed because the rate for the government was raised from 15¢ and is now 17¢ per mile.

The comparable figures for the December 1977 meeting are as follows, but have not yet been submitted by me to the Finance people:

16 Dec.	\$180.88 (1 day @ 180.88)	4.76	\$ 185.64
---------	------------------------------	------	-----------

Hope this keeps the IRS off your back.

Dear 

STATINTL

Enclosed is a check for \$165.20 which is the amount on the bill sent to me. This is off slightly from the total of \$167.93 mentioned in your 25 July letter. I believe the difference is one parking fee and some tax on the bar bill. The figures don't jibe any way I can figure it but close enough I hope.

Sincerely,

  
Executive Secretary

2. The costs are higher than I estimated in my memo to you on 6 December because they include services for 7 days, in addition to the 2-day meeting on 9-10 December. The 7 additional days account for approximately \$1050 of the total. The breakdown of the costs is as follows:

3. The next meeting of STAP is scheduled for 17-18 March. I anticipate at this time that the expenses for that meeting will be approximately \$3400. I can not make a meaningful estimate of additional days the members might put in for us between now and then, but I am sure you agree with me that to obtain the services of these talented gentlemen at these costs is one of the few bargains around. If you have any questions, please call me on R-9538.

MEMORANDUM FOR:

Executive Secretary, Scientific and  
Technical Intelligence Committee

FROM

:

STATINTL

Chief, Support Staff, ICS

STATINTL

SUBJECT

:

Official Entertainment for STAP

1. This is to advise you that the official luncheons planned for the Science and Technology Advisory Panel on 10 and 11 September are approved. The IC Staff will cover the cost of these luncheons with the following caveats:

STATINTL

a. [REDACTED] has stated that, as a matter of policy, he desires all IC Staff or CIA employees to pay for their own lunches when they are included in the group at the Executive Dining Room function, or elsewhere in the building for that matter. If the luncheon is held at the Cosmos Club or outside the premises of the CIA, he has no objections to their luncheons being reimbursed from official funds.

b. On the voucher which you will submit for the reimbursement of luncheons at the Cosmos Club, we must have a statement as to the reason why IC Staff or CIA members should not pay their own expenses. This justification should also include a statement of the benefit derived by the US Government in picking up the tab for government employees included in the luncheon. This is a DCI requirement which was established within the past year.

2. I would appreciate receiving the names of those individuals who will be hosted at the luncheons you have planned for 10 and 11 September, and for which the IC Staff will be paying the cost. If you have any further questions, please let me know.

MEMORANDUM FOR: Chief, Support Staff, ICS

SUBJECT: Estimated costs for STAP in TQ and FY-77

1. Since the first meeting of the DCI's Science and Technology Advisory Panel was held on 27-28 May, I am in a better position to estimate the future support costs for this Panel for both the TQ and for FY-77. At present a 2-day meeting of the panel is planned for 10-11 September. The costs for this meeting and other Panel expenses during the TQ are estimated to be no more than \$3500 and it is expected that they will be funded by the IC Staff, according to our agreement with [REDACTED] STATINTL

2. For FY-77, the costs should be approximately \$15k for the four 2-day meetings during the year and for the occasional use of individual Panel members between meetings. The funding source for this amount is not clear at this point, but the STIC certainly requests that the IC Staff make plans to fund the Panel on a continuing basis.

MEMORANDUM FOR: Chief, Support Staff, ICS

SUBJECT: Reimbursement for STAP expenses

1. Attached are claim sheets of members of the DCI's Science and Technology Advisory Panel and some meal expenses charged to [REDACTED] and to me for which I request reimbursement. Please send the individuals their checks to the addresses indicated on the claim sheets and [REDACTED] and mine to me at 6F35, Headquarters.

STATINTL

2. For your information, there was a verbal agreement between Mr. Knoche and [REDACTED] that the cost of the FY-76 meeting would be borne by the IC Staff. This was acknowledged by [REDACTED] in his request of 6 February for budget projections and my reply on 10 February estimating a total cost of \$4950. The actual amounts total less than \$2200 for a variety of reasons.

DRAFT [REDACTED] hcb  
18 June 1976

STATINTL

MEMORANDUM FOR: Deputy to the DCI for the Intelligence  
Community

SUBJECT: TQ and FY-77 financing for STAP

*file*

1. As you may recall, the DCI's S&T Advisory Panel was established early this year following talks I had with

STATINTL

[REDACTED] It was agreed that the costs of the Panel for FY-76 would be borne by the IC Staff and they were estimated in February at a maximum of \$5K.

2. The STAP's first meeting was held on 27-28 May and the total expenses, it appears, will be approximately \$2K inasmuch as only six members attended, instead of the postulated ten, two did not claim honoraria, and three did not claim travel, as they were in Washington on other business.

3. The next STAP meeting will be on 10-11 September, during the TQ, and I request that the IC Staff budget for the cost of that meeting. I expect there will be eight members by that time and therefore estimate the cost at a maximum of \$3K.

SUBJECT: TQ and FY-77 financing for STAP

4. For FY-77 I anticipate at this time that the Panel may meet at most four times a year as a group, at an estimated cost of \$12K. For budgeting purposes, another \$3K should be added for additional days consulting, travel, and incidental expenses.

5. It is my strong feeling that this cost (\$15K) should be budgeted by the IC Staff. The Panel is a DCI panel and if paid for by OSI or even CIA, could be subject to criticism as being a "captive panel" under the influence of a particular office or agency rather than being a totally free, objective group. It seems to me that, as a general policy, this procedure would be the best for all concerned.

6. I would appreciate an early opportunity to discuss this with you so as to set the policy for the TQ and the future.

STATINTL

  
Chairman

STATINTL

MEMORANDUM FOR: Deputy to the DCI for the Intelligence Community

SUBJECT: *Request for* ~~Request~~ and FY-77 financing for STAP *models* ~~to~~ *draw out*

1. *REQUESTS FOR YOUR REVIEW AND APPROVAL IN PARAGRAPHS 4 + 7.*

As you may recall, the DCI's S&T Advisory Panel (STAP)

was established early this year following talks I had with

It was agreed

that the costs of the Panel for FY-76 would be borne by the IC Staff, and they were estimated in February at a maximum of \$5K,

3. The STAP's first meeting was held on 27-28 May and the total expenses, it appears, *should only about* will be approximately \$2K. *inasmuch as only six members attended, instead of the postulated ten, two did not claim honoraria, and three did not claim travel, as they were in Washington on other business.*

4. The next STAP meeting will be *held* on 10-11 September, during the TQ, and I request that the IC Staff *pay for* budget for the cost of that meeting. *I expect* there will be eight members *will have later* by that time and therefore *I* estimate the cost *will be* at a maximum of *\$3.2K* \$3K.

SUBJECT: TQ and FY-77 financing for STAP

4. For FY-77 I anticipate [at this time] that the Panel will meet [at most] four times, ~~[a year]~~ as a group, at an estimated cost of \$<sup>13</sup>~~12~~K. [For budgeting purposes,] another \$<sup>2</sup>~~8~~K <sup>will</sup> be added for additional [days] consulting, travel, and incidental expenses.

6. It is my [strong] feeling that <sup>T40</sup> [this] cost <sup>or this panel</sup> [(\$15K)] should be <sup>borne</sup> budgeted by the IC Staff. The Panel is a DCI panel and if paid for <sup>from</sup> ~~by~~ OSI or <sup>other funds,</sup> ~~even~~ CIA, could be subject to criticism as being <sup>subject to</sup> [a "captive panel"] under the influence of a particular office [or agency] rather than being a totally free <sup>and</sup> objective group. [It seems to me that, as a general policy, this procedure would be the best for all concerned. <sup>DCI advisory panels,</sup>]

7. I would appreciate an early opportunity to discuss this <sup>nation</sup> with you so as to set <sup>an appropriate</sup> [the] policy for ~~the TQ and the~~ future.

*for the DCI and the Intelligence Community.*

MEMORANDUM FOR: See Distribution

FROM : George Bush  
Director of Central Intelligence

SUBJECT : Official Reception and Representation  
Expenses at Headquarters and Domestic  
Facilities

REFERENCE : Memo for Multiple Adses. from DCI, dtd  
1 April 1976; Subj: Official Reception  
and Representation Expenses at Headquarters

1. In view of the authorization contained in the FY 1976 budget appropriation, the referent is rescinded and the following policy pertaining to the expenditure of U.S. Government funds for official reception and representation purposes at Headquarters and domestic facilities is substituted therefor:

a. Appropriated funds may be used for official reception and representation expenses, including the expenses of cooperating U.S. Government officials at meetings concerned with the official functions of the Central Intelligence Agency. Agency employees in attendance at such meetings will normally be expected to pay for meals served to them. When a Deputy Director determines that this would be inappropriate and that the employees should be reimbursed for expenses incident to their attendance, the reason therefor must be stated on the voucher.

b. A Deputy Director or Independent Office Head is authorized to certify claims for reimbursement of expenses incurred for official reception and representation purposes and to submit these claims (in the format attached) to the Executive Secretary who is designated the single senior official who may approve the vouchers for payment or reimbursement. Since the burden should be a limited one, these responsibilities will be exercised without further delegation.

Approved For Release 2001/03/04 : CIA-RDP80T01198A000100010009-0

ADMINISTRATIVE - INTERNAL USE ONLY

c. As a general policy the payment of expenses incurred for reception and representation purposes at functions attended solely by individuals whose services are funded by the Central Intelligence Agency, or by one of its proprietary organizations or for whose services the CIA reimburses another agency, will not be authorized. There may, however, in the view of a Deputy Director or an Independent Office Head, be unusual circumstances justifying an exception. Such an exception shall require the prior approval of the Director.

d. Due to a specific limitation on the total amount of money authorized for "official reception and representation expenses," funds for these purposes are included in the O/DCI budget and all such expenditures will be costed to the DCI Imprest Fund.

2. The foregoing policy and procedures do not apply to representation expenses incurred at overseas field stations for operational purposes involving non U.S. Government employees. Existing authorities governing these kinds of activities have not been modified.

3. Funds appropriated for the purpose of reception and representation expenses are limited. It is expected that Deputy Directors and Heads of Independent Offices will scrutinize each request to assure that the need for incurring such an expense is justified and that a benefit to the U.S. Government is derived.

MEMORANDUM FOR: Division and Staff Chiefs

SUBJECT: FY76 Budget Projections

1. Our FY76 budget is operating within narrowly drawn confines and all indications are that funds will be extremely tight for the remainder of the fiscal year. We are under instructions from OMB to minimize travel and related costs and for the first time we will have to monitor closely new personnel entering on duty because of shortfalls in salary money.

2. To help in planning our activities through 30 June 1976, I need to know your projected needs for travel, equipment, contractual services or any other demands upon the public treasury. Specifically, may I have the following detailed information:

Travel

Name of traveler(s), date, estimated number of days, itinerary, purpose

Other Budget Requirements

New rentals

Contracts - Name of contractor/project, estimated cost, purpose

Equipment & Supplies

3. I would appreciate having a response by Friday, the 13th day of February.
